

# Take Off to Set Sail! Southwest® offers a magical Disney Cruise Line vacation

On your next family getaway, why just take flight when you could also set sail? Together, Southwest® and Disney Cruise Line can make your dream vacation come true. The magic of a Disney Cruise is that it combines many incredible vacations in one. A vacation filled with Disney entertainment, a hassle-free ocean cruise or getaway to a tropical beach—with a Disney cruise, you can do it all and Southwest wants to give you a chance to experience the fun for yourself.

Southwest Airline's Adam Rucker recently embarked on a seven-night Disney Cruise on the Disney Dream to get a taste of the onboard entertainment, dining, and activities designed for the whole family.

While flying to your Southwest destination, check out Southwest's Inflight Entertainment Portal for a look at Adam's journey in the Caribbean, which included a trip to Castaway Cay, Disney's private island paradise.

From imaginative dining experiences and Broadway-quality stage shows to lively deck parties and fireworks at sea, there's something for guests of all ages. Parents can relax at the adult-exclusive Quiet Cove pool or head to the full-service spa, and kids can enjoy exclusive clubs and activities led by Disney Youth Counselors. And thanks to Southwest's partnership with Disney's Magical Express® service, it's a breeze to get from your Southwest destination to the ship. Your bags will even be delivered to your stateroom so the fun can start as soon as you arrive.

Captain Mickey is waiting to welcome you aboard. Visit [setsailsweeps.com](https://www.setsailsweeps.com) and enter for a chance to win a seven-night magical Disney Cruise Line vacation in the Caribbean for you and three guests.

Now sit back, relax, and imagine that crystal-clear water. A Disney Cruise is just a jet set away.
