To register for this promotion, Customers will need to provide their Southwest Rapid Rewards account number at the time of registration. Member must register for this promotion, book one round trip or two one-way qualifying Southwest flights during the Promotion Period for travel during the Travel Period, and fly during the Travel Period. Registration must be completed prior to booking and commencement of travel. The promotion is valid on new qualifying revenue flights booked during the Promotion Period for travel during the Travel Period and flown within the Travel Period. The Member's qualifying flight must be booked through Southwest Airlines® during the Promotion Period for travel that must be completed during the Travel Period. The Member's Rapid Rewards account number must be entered at the time of booking the Member's qualifying flight to earn a promotional Companion Pass valid for use between Aug. 5, 2024, and Oct. 2, 2024. A qualifying one-way flight for this promotion is a one-way revenue flight on Southwest Airlines from an origin city to a destination city, including any intermediate stops and/or connections on Southwest Airlines. A qualifying round trip flight for this promotion is a round trip revenue flight on Southwest Airlines from an origin city to a destination city and back to the originating airport or carrier-recognized co-terminal. The promotion is valid on new reservations booked within the Promotion Period for travel during the Travel Period only. Travel booked or flown prior to registration for this promotion is not eligible for this promotional Companion Pass offer. Companion Pass, charter flights, reward and group travel, and Southwest Vacations® packages do not qualify as one-way or round trip revenue flights for this promotion. Changes made to any itinerary after purchase of a one-way or round trip revenue flight may eliminate qualification for this promotion. The promotional Companion Pass is valid from Aug. 5, 2024, and Oct. 2, 2024, and allows the Member to designate one person to fly with them, free of airline charges (does not include taxes and fees from \$5.60 one-way) on flights purchased by the Member, booked through Southwest, and completed between Aug. 5, 2024, and Oct. 2, 2024. No Rapid Rewards points or tier or Companion Pass qualifying points will be awarded for flights taken by the Companion when flying

on a promotional Companion Pass or Companion Pass reservation. Members may change their designated Companion up to three times while they have the promotional Companion Pass. If the Member earns a Companion Pass in 2024 by earning 135,000 Companion Pass qualifying points or flying 100 qualifying flights, any changes to their designated Companion during the time they have a promotional Companion Pass will reduce the number of changes they can make to their designated Companion in the 2024 calendar year. For example, if the Member earns a promotional Companion Pass through this promotion, changes their designated Companion twice during the validity period for the promotional Companion Pass, and later in 2024 earns Companion Pass, they would only be able to change their designated Companion one more time in 2024. Companion Pass is nontransferable. All Rapid Rewards rules and regulations apply and can be found at [Southwest.com/rterms](https://www.southwest.com/rterms). Southwest reserves the right to amend, suspend, or change the Rapid Rewards program and/or Rapid Rewards program rules at any time without notice. Rapid Rewards Members don't acquire property rights in accrued points. The number of points needed for a particular Southwest flight is set by Southwest and will vary depending on destination, time, day of travel, demand, fare type, point redemption rate, and other factors, and is subject to change at any time until the booking is confirmed.
