Southwest Citizenship

This month, the Citizenship Channel features two new videos that highlight how we put our Heart into doing the right thing by our People and with respect to our planet.

- Nonstop to Net Zero: In 2023, we launched our updated sustainability strategy, Nonstop to Net Zero, which outlines our path to achieve net zero carbon emissions by 2050¹ supporting a more sustainable future. This plan gives our environmental sustainability efforts a clear direction, with a strategic focus on three key areas: Carbon, Circularity, and Collaboration. Tune in to learn more about our efforts and how you can also show your Heart for the planet!
- Experience Kilohana: Southwest Airlines is a proud presenting sponsor of the Kilohana Hula Show, a modern reimagining of the classic hula shows of Waikiki. In this video, you will receive a look into the authentic Hawaiian culture through the eyes of a former entertainment stage director from the Old Lahaina Luau. The show features Merrie Monarch Festival dancers and much more. The show is free and takes place every Sunday through

Wednesday, from 9:30-10:30 a.m. at the Waikiki Shell Amphitheater. For more information, please visit experiencekilohana.com.

* Where available. Available only on WiFi-enabled aircraft. Due to licensing restrictions, on WiFi-enabled international flights, free Live TV and iHeartRadio may not be available for the full duration of flight. Internet access for \$8 per device from takeoff to landing. Price is subject to change. May not be available for the full duration of flight. In order to provide a top-notch Internet experience, we prohibit access to certain high-bandwidth applications and websites. We also prohibit access to certain obscene or offensive content.

1 Our carbon emissions intensity reduction goals are compared against a 2019 baseline on a revenue ton kilometer (RTK) basis [including Scope 1, Scope 2, and Scope 3 Category 3 emissions (upstream emissions of jet fuel)] and includes the use of SAF and excludes the use of carbon offsets. Our net zero by 2050 goal includes Scope 1, Scope 2, and Scope 3 Category 3 emissions only and excludes any emissions associated with non-fuel products and services, such as inflight service items.
